James K. Wicklund
Principal and Portfolio Manager, Carlson Capital LLC

Jim Wicklund is a Principal and Portfolio Manager for Carlson Capital LLC, a \$4.5 billion hedge fund in Dallas, Texas.

Jim has spent the past fifteen years analyzing the Oil & Gas Industry, and specifically the Oilfield Services, Equipment and Drilling segments, advising investors on industry outlook, strategy and sector/company performance. He has been recognized by various awards and recognition including Institutional Investor, Greenwich Surveys and the Wall Street Journal's "Best on the Street".

Prior to joining the financial sector, Jim spent fifteen years in the Oil & Gas industry, specializing in geophysics, engineering and operations, working for Western Geophysical, Sun Oil Co., ECL Ltd and Petroleum Information Corp. He has lived in London, Perth, Singapore, Milan, Houston and Beeville, Texas.

Wicklund is a graduate of Southern Methodist University. He is a member of the Society of Petroleum Engineers, the Society of Exploration Geophysicists, the National Ocean Industry Association, the Petroleum Equipment Suppliers Association, and the Dallas Petroleum Club.

Jim is married and lives in Dallas with his two children.
