our clients' decision making*

Douglas Becker
Vice President and Research Analyst, Banc of America Securities

Douglas L. Becker is a vice president and a research analyst in the Equity Research Department at Banc of America Securities LLC, where he covers the Oil Services & Equipment sector. Becker joined the Company in 1998 as an associate with responsibility for Exploration & Production companies and later the Integrated Oils and Independent Refiners. He was promoted to associate research analyst in 2001 and to research analyst in 2002.

In 2008, Becker was ranked first for his coverage of the sector by Forbes.com based on the combination of his stock picking and accuracy of earnings estimates. Previously, Becker was an equity research associate at Credit Suisse First Boston, where he covered the Canadian Exploration & Production sector. Before joining the sell-side, Becker was a consultant in the Financial Advisory Services division of Deloitte & Touche LLP and an analyst in the Performance Services Group at Thomson Investment Software.

Becker, a Chartered Financial Analyst charterholder, holds a bachelor of science degree in finance from Indiana University.
